

Pocket ISSUE
Small briefs for a big world

Pocket Issue / Middle East Conflict tackles the big questions in an easy-to-read pocket guide. What is the fighting about? How did it start? Does the conflict encourage Islamic terrorism? Can there be peace in the region?

The history, the politics, the key players, the future – Pocket Issue gives you the vital information quickly and accurately.

"Exactly what any busy person needs - the facts at your fingertips! Never get caught out again when a conversation starts on the big issues of our time." Jeremy Vine, BBC Radio 2 & Panorama

"For everyone who longs to be well-informed but lacks the time (or attention span)." Alex Clark, The Observer

Designed for our time-pressed lives, these short and pithy handbooks brief you on the big global issues in as little as 20 minutes, giving you the confidence to join the debate.
